We have reviewed the medals approved over the past five years and this data is presented in the attached table. In addition we have attached a list of the names of persons awarded the DIM during the last 3 fiscal years. Although 26 were approved in FY 79, 20 of them were for a career at time of retirement. After reviewing this information, I do not feel there is any indication of "watering down" the DIM. I will, however, pass this information and the DCI's concern to the members of the Honor and Merit Awards Board.
